

Customer agrees to pay any and all charges that occur due to the use of unapproved cable or cable that was not installed by the provider's approved technicians.

Charges may include but are not limited to the following:

- Cable Re-run
- Splice Repairs
- Trenching (Heavy Equipment)
- Trenching (Manual Hand Trenching)
- Cable Re-Termination
- Replacing damaged equipment
- On-Site visits

Equipment Warranties may be voided by the use of unapproved cable or cable that was not installed by the provider's approved technicians. Charges may occur for replacing equipment that would normally have been covered under warranties.

Customer agrees to indemnify and hold Provider harmless from liability to any third parties, including the owner of the Customer's premises, for damage to the premises resulting from the use of unapproved cable or cable that was not installed by the provider's approved technicians.

The Provider is not expected to make repairs to any unapproved cable or cable that was not installed by the provider's approved technicians.
